The DJ was very professional - he would check w/ me to see when I wanted things done and would do them. He helped keep us on track (and took a LOAD off my mind!) He was also fun and announced events (dances, toasts, etc.) very professionally. Most importantly - he would approach me and ask me how I wanted something done, and I ~~would~~ didn't have to worry about making sure it got done right. He was a wonderful asset to our wedding!  
P.S. (He was quite a HIT with the ladies!) ;)

*The music was great, so was the D.J. I danced so much my feet were sore. We received a letter from someone who attended and they really liked the music too! Thanks for a very enjoyable Christmas party.*
